Reaching Alaska Each Village Every Person

We are thrilled to share the latest news from our mission work in Alaska. Your prayers and support continue to make a profound impact on the lives of those we serve. Here are some highlights from the past quarter:

Chevak Update

Pastor Jimmy Okitkun and I were honored to minister for several days in the village of Chevak, one of our targeted missions sites.

Our time there was filled with divine appointments and abundant opportunities to share the love of Christ with the community.

Exciting new doors of ministry opportunities are opening for us in this community.

We are committed to deepening our relationship with local leaders and enhancing our outreach efforts.

Equipment has been ordered, and plans are set to launch live streaming of the weekly church services from Kotlik to Chevak to support and grow this new work.

Camp Agaiutim Nune

At the end of May, a small team joined me for a logging expedition along the Yukon River.

After collecting the logs, we returned to the camp, where we winched them out of the water to be processed with our sawmill for use in construction projects.

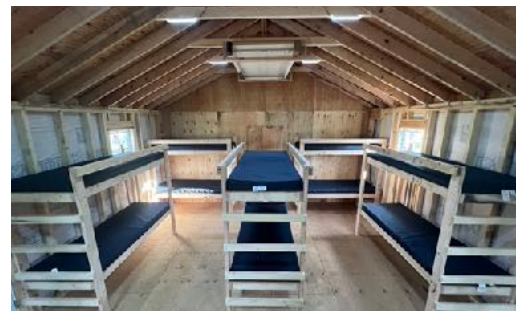

We are grateful for our volunteers' support and hard work. They built this new building in one week.

This new dormitory, which sleeps 32 in bunk beds, was ready in time for us to use during camp this year.

Plans are underway to build at least three more dorm cabins. All the materials for the next one, which will be built next summer, have been purchased.

Please let me know if you want to contribute to this project or come in person to help us build.

Significant Impact

This year marked the 30th anniversary of Camp Agaiutim Nune, a mission that continues to profoundly impact the lower Yukon region.

This year, we were blessed to have over 25% of residents from the village of Nunam Iqua visit and attend services at the camp.

This remarkable level of participation is a testament to the growing engagement and hunger for God within this community.

As our ministry efforts progress, we ask for your continued prayers and eagerly anticipate sharing more exciting updates about this evolving ministry with you soon.

Signs Wonders and Miracles

We experienced powerful services at Camp Agaiutim Nune. They were marked by notable miracles that vividly testify to God's faithfulness and healing power.

Signs, wonders, and miracles are **evidence** of God's reality and active involvement in our lives.

- They **verify** the authority and truth of the message being preached. (Mark 16:15-20)
- They **demonstrate** God's power over sickness, nature, and spiritual forces. (Luke 8:22-56)
- They serve as a **witness** to all, showing the reality and power of God. (John 20:30-31)

One miracle from Camp Agaiutim Nune that stands out is the healing of a young girl who had been deaf in one ear since birth. She received complete healing, and we rejoice in God's miraculous work demonstrated in her life.

In addition, other remarkable signs and wonders occurred, affirming to us that when the Word of God is preached, God will confirm that He is real, that He has authority over every sickness and disease, that He deeply cares for each of us, and that He is actively involved in our lives.

Native American Fellowship Convocation

I was able to attend the NAF meetings in Springfield.

This gathering brought together individuals from diverse backgrounds, all united by a common faith and a commitment to supporting Native American communities across the country.

One of the most impactful highlights was our time at the National Prayer Center.

Here, we dedicated a special session to pray over villages in Alaska.

How to be involved

As our influence and opportunities continue to expand, we are in need of additional funding.
