3rd Quarter 2025

Reaching Alaska Each Village Every Person

As we reflect on the past quarter, we are reminded once again of God's faithfulness and the importance of your partnership in advancing His Kingdom in Alaska.

It has been a full and fruitful season of ministry, with opportunities to both serve here in Alaska and connect with others across the nation who share God's heart for missions.

Camp AN

We began July by finishing up another great season at Camp Agaiutim Nune.

This camp has become one of our favorite summer highlights because of the unique opportunity it provides to invest in the next generation of Alaska Native students.

Every service, activity, and conversation carried the potential to impact a life for eternity. We saw students respond to God's call, experience healing, and deepen their faith. These are the kinds of moments that remind us why we serve.

Common Fire

Later in July, we traveled to South Carolina to attend the Common Fire Native American Fellowship Convocation. This gathering was marked with powerful worship, teaching, and fellowship with Native leaders from across the U.S.

It was inspiring to hear testimonies of what God is doing in indigenous communities across the nation. We left encouraged, with a fresh vision and stronger connections that will enhance ministry in Alaska.

Alongside these travels, we continued to work on arrangements for upcoming Alaska Home Missions projects. Much of this work happens quietly behind the scenes, but it is essential.

We've been coordinating with pastors, missionaries, and leaders in rural communities to help ensure that resources, workers, and support are where they are most needed.

General Council

The end of July and the first part of August took us to Orlando, Florida, for the Assemblies of God General Council. This gathering of leaders and missionaries from across the world is always a time of spiritual refreshing and renewed vision.

Reaching Alaska
Each Village Every Person

General Council (continued)

We were honored to help with the U.S. Missions Intercultural booth, where we shared about opportunities in Alaska.

Being at the booth gave us opportunities to connect with pastors, students, and church members who were curious about Alaska. Many had never realized the tremendous spiritual needs in the remote villages of our state.

Conversations were filled with excitement as we invited others to partner with us—whether through prayer, giving, or even considering a call to Alaska themselves.

Scan the QR code for info and resources.

It was a week of recruiting, networking, and planting seeds that we believe God will grow into future ministry opportunities.

Preparation for the Fall

After returning from General Council, we dedicated a week to working on our Speed the Light Outreach trailer.

This trailer will be our base of operations as we travel through the Lower 48 this fall, visiting churches and supporters.

It has been updated and equipped to help us travel and share the Goodness of God, as well as what He has been doing in our ministry.

At the same time, we have been busy setting our travel schedule. Most of our calendar is now full, and we are grateful for the many churches and groups that have already welcomed us.

As we look ahead, our heart is not only to share updates but also to invite others to **Pray, Give, and Go** with us. Joining our mandate of reaching Alaska for Jesus!

Fall Barge Shipment

We recently returned from a trip to Emmonak and Camp Agaiutim Nune, where we delivered and stored the final loads of materials for our 4th Dorm Cabin.

Looking ahead, we plan to add another dorm, along with showers and restrooms.

Let me know if you would like to be part of this ongoing work. We would love to have you involved!

Let's Connect!

As we travel this fall, we would love the chance to connect with as many of you as possible.

Whether it's speaking in a church service, sharing over coffee, or simply catching up face-to-face, it would bring us joy to tell you firsthand about the lives God has touched in Alaska.

Your prayers, encouragement, and faithful support are the reason we can continue this work. Together, we are carrying the gospel to Each Person in Every Village—from Southeast to the Arctic coast, and everywhere in between.

Thank you for your partnership!
