Reaching Alaska Each Village Every Person

A Breakdown That Became a Blessing

The final quarter of 2025 found us "on the road." We began our drive out of Alaska on October 3rd, rushing to stay ahead of the early snowfall.

While the journey had its challenges, it was also filled with incredible moments: abundant wildlife sightings and breathtaking scenery, with God's magnificent creation on full display at every turn.

Along the way, however, we encountered an unexpected challenge with our pickup.

After I changed the oil and fuel filters, it would not stay running.

It was a Friday evening, and as I began calling mechanic shops for advice or assistance, I quickly realized that many businesses were closing for a long weekend, as Monday was Canadian Thanksgiving.

Right in the middle of this situation, God once again proved faithful. He led us to a wonderful man who came into his shop on his day off. He and a fellow worker took the time to diagnose and fix the problem.

Even more humbling was the fact that, though his family was preparing for Thanksgiving, he refused any payment for his time or the supplies he used.

Later, he sent me this text message:

When you are heading out to preach the word of God it funny how satan will try to make everything go wrong. You are not in this fight alone there are brothers and sisters in Christ that will help

We are deeply thankful for the greater family of God! Believers who show kindness, compassion, and a willingness to step in and help others, even at personal cost.

Moments like these remind us that we are never alone in the work God has called us to do.

The Harvest Is Ripe

Over the past three months, we have traveled 9,074 miles. Driving the Alcan Highway and ministering in churches across Kansas, Oklahoma, and Texas.

The services have been powerful, and it is clear that the harvest is ripe.

We have seen people give their lives to Christ, witnessed miracles of healing, and had three individuals respond who are now praying about becoming missionaries.

Reaching Alaska
Each Village Every Person

Although our schedule has been full, we have made time to connect with as many friends and ministry partners as possible along the way.

While we have deeply missed being home in Alaska, the fellowship with pastors and friends has been refreshing and deeply encouraging.

Stewardship Summit

The first week of December, we attended the **Stewardship Summit** led by Pastor Choco in Springfield, Missouri.

Immediately afterward, we spent a couple of days planning and strategizing with Pastor JR Rodrigues and our fellow Intercultural team leaders, preparing for the ministry opportunities ahead.

Partner With Us in Transforming Lives

As U.S. Missionaries, we are entrusted with the responsibility of raising the financial support needed to fulfill the calling God has placed on our lives.

Every mile traveled, every ministry opportunity, and every moment spent serving in Alaska is made possible through the faithful partnership of people like you.

At this time, we need additional funds in order to be fully funded. Your investment directly enables us to remain on the field.

To continue building meaningful relationships, and share the Good News of the Gospel in communities across Alaska.

For current partners, would you consider increasing your contribution?

For all others, we invite you to prayerfully consider partnering with us through financial support.

Monthly support provides stability and allows us to plan effectively, but we are also deeply grateful for annual or one-time gifts.

Every gift, no matter the amount, plays a vital role in sustaining this ministry.

If you would like to give, gifts can be made securely online at:
