2nd Quarter 2026

Reaching Alaska Each Village Every Person

As we look back on the second quarter of this year, our hearts are filled with gratitude for all that God has done. Because of your partnership, lives are being impacted throughout Alaska. Here are a few highlights from the past three months.

Alaska Ministry Network Conference

We began the quarter by traveling to Fairbanks for the annual Alaska Ministry Network Conference.

During the Tuesday evening service, I had the opportunity to share an update on the Alaska Home Missions projects completed over the past year, along with the ministry opportunities and projects we are focusing on this year.

If you would like to learn more about these projects or discover ways to get involved, visit 907missions.com/project-info.

Tractor Arrives at Camp AN

Immediately following Network Conference, we flew to Oklahoma to pick up a Kubota tractor that had been generously donated to Camp AN.

My older brother, Dallas, joined me for the trip, and together we delivered the tractor to the barge in Nenana.

The tractor arrived safely in Emmonak in June, and we transported it to camp shortly afterward.

What an incredible blessing! This will serve Camp AN for many years to come.

We are so thankful for God's provision and for the generous donor who listened to His voice and made this gift possible.

Camp Agaiutim Nune

Near the end of May, I traveled to Emmonak to begin preparations for another exciting summer.

This year we welcomed three construction teams that volunteered their time and talents to help with several projects, including building a **brand-new** boys' dorm cabin.

Reaching Alaska
Each Village Every Person

Camp Agaiutim Nune (Cont)

It is always amazing to watch what God can accomplish through willing hands in just a short amount of time.

Their investment will bless hundreds of young people for years to come.

Record-Breaking Kids Camp

This year's Kids Camp was one for the record books! We welcomed the largest number of campers in 31 years.

Beyond all the fun activities—including crafts, basketball, archery, swimming, and countless games—the greatest moments happened around the altars.

Young people encountered Jesus, gave their hearts to Him, and many were filled with the Holy Spirit.

Secure Giving

Changed Lives

One testimony especially touched my heart.

After receiving the baptism in the Holy Spirit with the evidence of speaking in tongues, one student commented to his coach, "What happened?"

His coach began explaining what had just happened spiritually, but the student interrupted and said, "No...I mean before tonight I literally saw everything in double. Now I can see clearly."

Praise God! Not only did the Lord fill this young person with His Spirit, but He also brought physical healing. We rejoice in His miraculous power and His love for every child who comes to camp.

Nunam Iqua Update

We celebrate another incredible milestone in Nunam Iqua!

The building that was generously donated for ministry has now been successfully moved to its permanent location.

We are so thankful for God's provision in supplying this building and for His protection over every person involved in the move.

This building represents far more than lumber and nails. It will become a place where lives are transformed, hope is restored, disciples are made, and the Gospel continues reaching people in this community.

Thank you to everyone who has prayed, given, and partnered with us. Your investment is making moments like this possible.

Please continue praying as we begin the next phase of preparing the building for ministry. We truly believe the best is yet to come!

On the Road

Following camp season, we traveled to Oklahoma for Danean's family reunion before continuing to Kansas and Iowa.

Along the way, we shared in churches, met with faithful supporters, and connected with several individuals who are interested in Alaska Missions.

It is always encouraging to meet with people who share a passion for reaching Alaska with the Gospel. We are praying that God will continue to raise up workers for the harvest fields across our state.
